

The ascent the Big Chimgan Mt. (3339 meters high)

1.5 days with overnight at the foot (1700 meters high) of Chimgan Mt. for better adaptation for the successful ascent the next day.

!!! Participants of the ascent must have rock-climbing experience to feel confident on the rocky areas.

The 1st day

15:00 – departure from Tashkent .

16:00 – arrival in Chimgan area at the foot of Chimgan mountain

Overnight in the guest house or openair in a tent.

The 2nd day

4:00 am we get up and have breakfast

4:30 am the beginning of the ascent

We need to you need to gain 1600 meters of altitude from 1700 meters till 3339 meters, so our speed will be quite slow.

There are gorgeous views around during the ascent. We can see Kumbel Mt. (2300 m.), Amirsoy, Krjintau mountain range with Minbulak Mt., which altitude is 2834 meters.

9:00 am we will reach the grotto, where we will have a good rest and snack.

11:30 am we will reach the top, have a snack, take photos.

From the top we will see a historical & cultural spot, which had great influence on Central Asia. It's Polatkhan plateau (2900 meters high).

12:30 we begin the way down.

17:00 we reach the foot of the Big Chimgan. In summer we can swim in the swimming pool, take shower, have lunch in the guest house.

19:30 arrival in Tashkent.

Total distance of the itinerary is 12 km.
